# Repertoire

Basically, DJ Putney has any kind of music in his Repertoire. About 25'000 songs are always available. Everything from A to Z. From Abba to ZZ Top.

# Technique

Sonorous sound systems, matching microphones without oversteering, powerful PA's, strong and colorful stage light, moving disco lights like Scanner as well as Beamer and screen are available. If the own equipment is not enough, we consult a partner from the event-technology industry. You need something special? Fire- and water effects, bubbles, smoke? All here.

# Celebrate...

Business Events like Christmas, product presentation, Fair and Exhibition, Fashion Show, aperitif, jubilee...  
Wedding, birthday, Bar Mitzva, Pool Party, Carnival (Basler Fasnacht), city Festival, First August, Oktoberfest, etc...

**20 years ago, DJ Putney started his career as DJ. Working at the club scene made it clear to him, that he wants to be a professional DJ.**

The art to be successful at a event depends on the right music and suitably combination. The matching songs will be chosen, precisely timed from a repertoire of over a thousand titles.

No Go-Songs will of course not be played at your event! And you also can get to know DJ Putney personally. You will be surprised that the Former Radio Reporter, trained Photographer and PR expert still can ask

so many questions. That's a good thing. Because, to perform without preparation would be disastrous. Music in the context of an event ist no empty phrase. Music has to fit, this is a speciality of DJ Putney.

When working for you, DJ Putney offers a variety of services. Mileage for travelling to and back from your Event are not added, but included in the Package.

**WITH PASSION AND  
COMPETENCE DJ  
PUTNEY IS AUDIBLE  
AND VISIBLE!**

# CLEAR SOUND. GORGEOUS LIGHT : MEMORABLE EVENTS!

Stylish staff party? Tasteful presentation? Casual team meeting? Or a family event? With DJ Putney you also can book the event technology, that is strongly related to event.

**Event DJ?** Because of increasing demands of business and lifestyle events, this special DJ-style has arisen. The public wants to be animated and supported by adapted music, that is aligned with the dramaturgy of the event.

Unlike a House DJ, the Event DJ is not the only entertainer, but acts in close cooperation with the moderator and the various protagonists of an Event.

The Event DJ interacts with the mood of the audience, and using a comprehensive selection of music, he responds to the events thematically and situationally and intensify the audience's emotions.

Marco Studer alias DJ Putney also works at the UEFA Champions League home Games of the FC Basel.

From the Club DJ to the Event DJ with technical flair. Thus, the CV of DJ Putney will be described most simply. Marco Studer and his partners are not only active at the Turntables. No, the event technology will become increasingly important. The own sound and lighting equipment in the warehouse is ready for your next event.
